## NEW VALUES

Here are goods just received at less than regular prices that go onto our tables with our sale goods. These came this morning and are seasonable goods at very close prices as follows:

### HALF PRICE

Just received about 300 yards Eden Cloth in all designs, mostly stripes. This is an imitation of Scotch flannel and a very close resemblance; stripes are the same, has that wooly look that Scotch flannel has. This is a cloth used for children's shirts and dresses and for gents' shirts. It is the best seller in our whole stock. Our price has always been 15c per yard. Now we are to sell this lot at 12 1-2c per yard.

New lot of Embroidered Front Ladies' Tailored Waists in white. This lot at \$1.19 each. All sizes.

One lot of 40-inch Checked Lawn for ladies' corset covers and night robes. These are a job lot and the price is but 15c per yard, instead of 20c, the usual price.

The three above values are in small lots, so act quick.

### SPECIAL

All of our Children's Straw Hats at half price and all of our Ladies' Colored Wool Suits at half price, together with lots of Waists and Separate Coats.

Our sale of Dress Goods at 59c should get good shoppers busy, as these are clothes costing to-day at wholesale more than our price to you. Here are \$1.00 Colored Wool Taffetas at 59c and 50-inch Panamas in colors at 59c, for skirts or whole suits.

All Remnants left over from our Saturday sale will be shown the week of August 15, or until sold. These are helps to careful buyers.

Our 10c table of Wash Goods has good things to know about.

Twenty-cent Curtain Scrims at 15c and 12 1/2c White Curtain Muslin at 10c are about as good as you can do.

### REGAL SHOES

You may listen or close your ears to our story on Regal Shoes; nevertheless, at our sale price of \$2.69, it is the best Oxford Shoe proposition that you have ever had offered to you. It is a very, very low price, and the Shoe we honestly believe to be the best fitting, longest wearing Shoe sold to-day for this price.

The well trade of New York, who can afford to pay fabulous prices for custom-made Shoes, are to-day taking Regal Shoes as a better proposition; they like a Regal style, they like the quarter size fit, and the Shoe stands up, will not squat over at the heel. They are your kind, once you try a pair, and \$2.69 for a \$4.00 Shoe should help you to try one pair right now.

We are closing out our Ladies' Rubbers and are selling all styles at 50c per pair. These were 75c. Storm Rubbers in the lot. Nearly all sizes.

We have a modern sponging plant in our basement so that we can do a perfect job of sponging on all kinds of goods. This means all kinds even to fine silks and velvets. It refinishes and irons at the same time. Give us a try for a perfect job.
